BUSINESS SUMMARY

Plumbing, heating, and air conditioning company that services the entire Twin Cities Metro area providing both commercial and residential service. Profitable business with an outstanding reputation and lots of opportunities to grow. Owners would like to partner with an acquirer to take their business to the next level.

COMPETITION

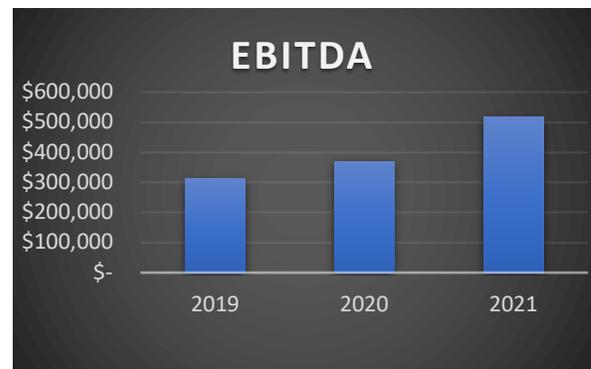

This plumbing, heating and air conditioning company stands out from the competition by offering the most competitive prices, emergency service and by handling all of their customer's needs with one call.

FINANCIAL SUMMARY

Profitable business with strong financials.

2021 Revenue: \$1,943,962

2021 EBITDA: \$519,071

GROWTH OPPORTUNITIES

The opportunities to grow this business are endless. They consistently turn work away as they do not have the staff to accommodate more. They could also add new construction and additional residential services to their offerings. They currently do not advertise and only rely on reputation and referrals.
